

# NOT ME NEVER!

## A FUN SPA PARTY GAME

Simple games like Not Me Never! Mix truths, fibs and candy!

To play the game, give each guest a set number of miniature tootsie rolls, jellybeans, or caramels –just make sure it is something yummy!

Then the first person makes a statement about themselves that starts with "I Never ..... Nope. Not me. Never."

For example the person said "I have never kissed a man. Nope. Not Me. Never!"

Anyone else that has never kissed a man has to eat a piece of their candy.

Everyone will get the opportunity To take at least one turn - hopefully more.

Keep playing until someone ends up with the most candy and everyone else has eaten theirs.

The one with the most candy at the end wins.

Remember to have fun, and have lots of Chocolate on hand for guests.
